- - - Hispanic - - -

```

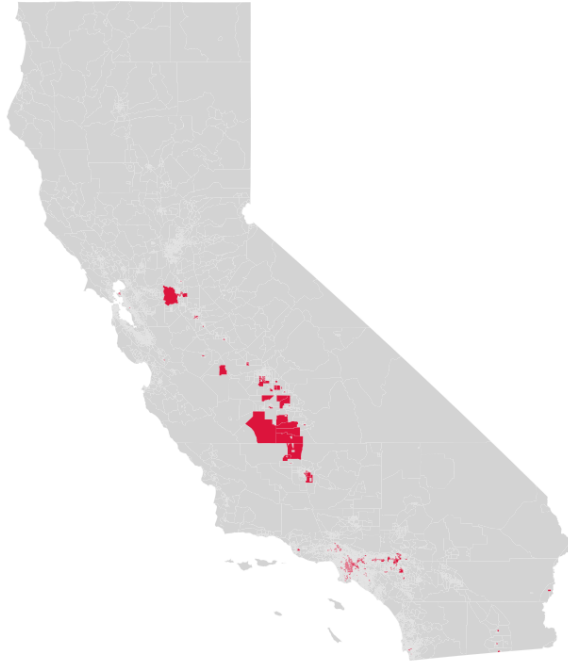

Hispanic share (fixed bins)

Bivariate: Hispanic share (→) vs ClscoreP (↑), 3×3 quantiles

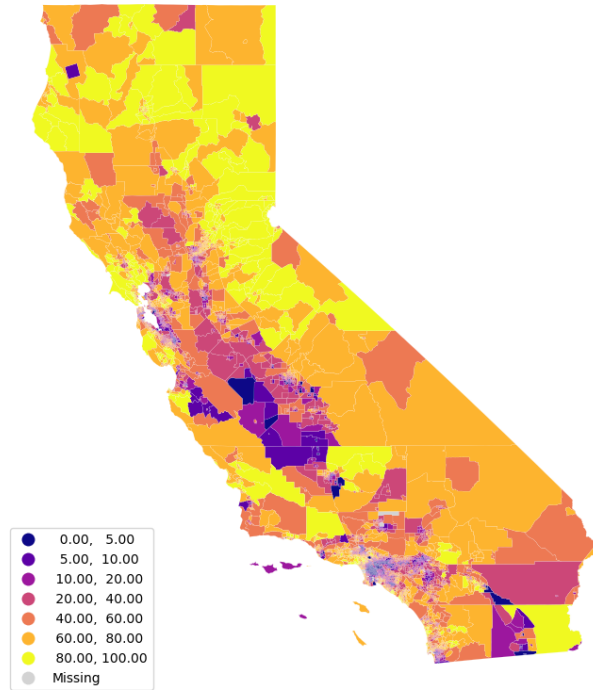

Overlap hotspots: top 10% CiscoreP AND top 20% Hispanic share

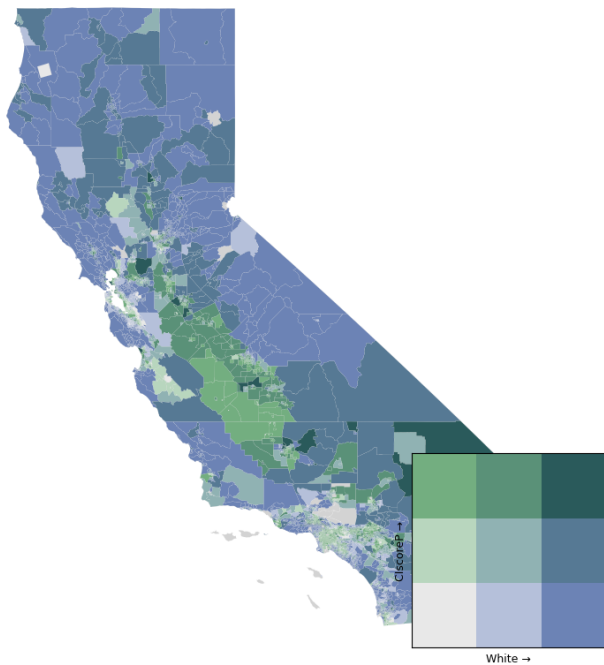

- - - White - - -

White share (fixed bins)

Bivariate: White share (→) vs CiscoreP (↑), 3×3 quantiles

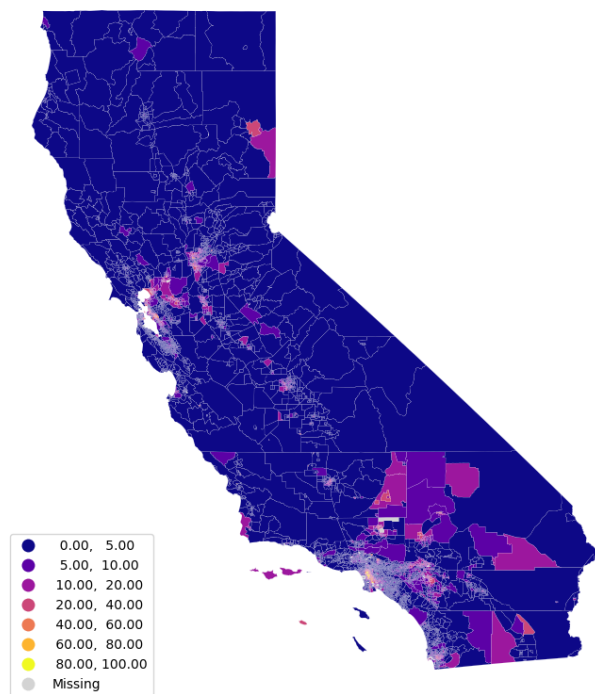

Overlap hotspots: top 10% CIscoreP AND top 20% White share

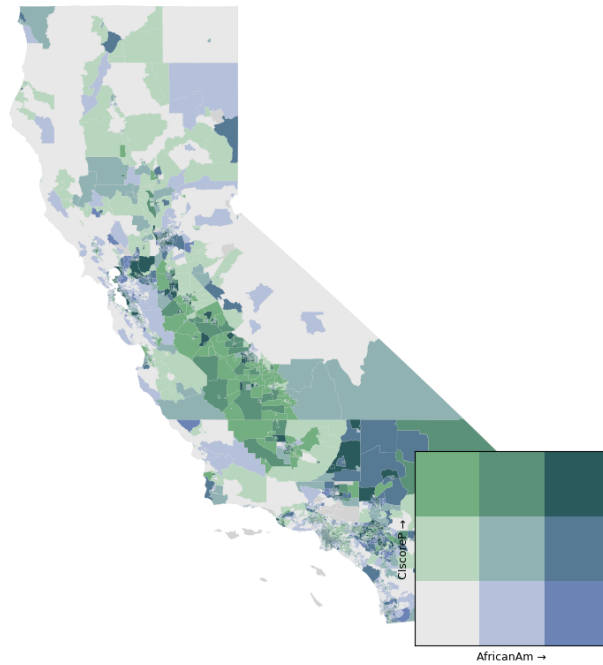

- - - AfricanAm - - -

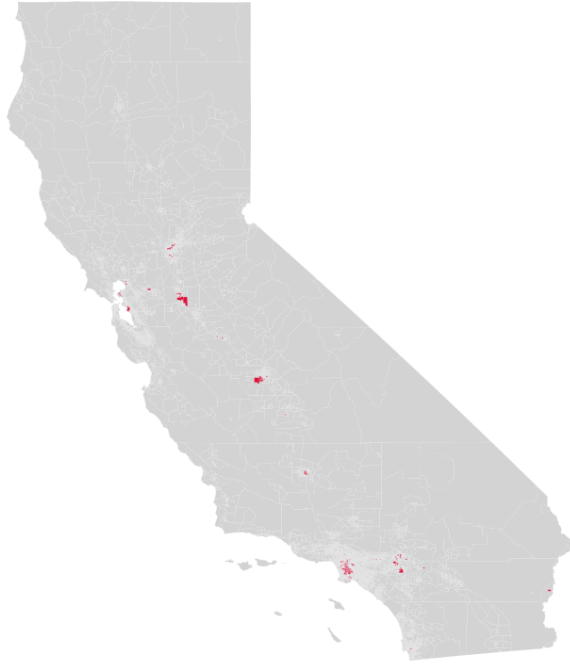

AfricanAm share (fixed bins)

Bivariate: AfricanAm share (→) vs CIscoreP (↑), 3×3 quantiles

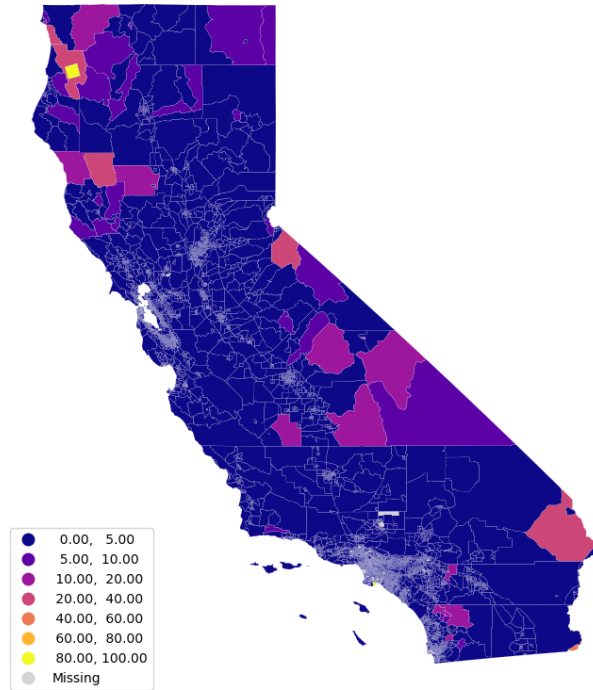

Overlap hotspots: top 10% CIscoreP AND top 20% AfricanAm share

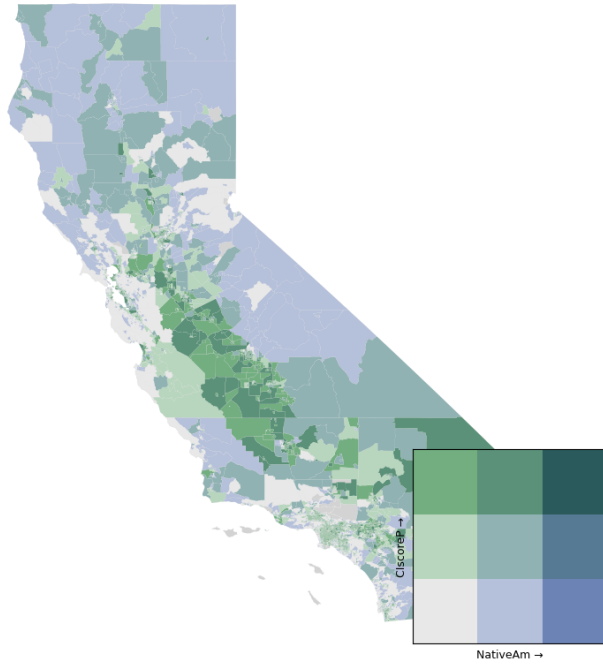

- - - NativeAm - - -

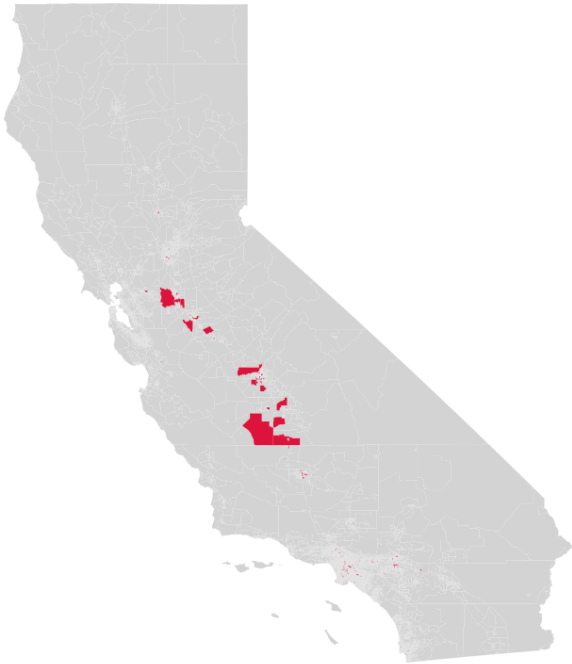

NativeAm share (fixed bins)

Bivariate: NativeAm share (→) vs ClscoreP (↑), 3×3 quantiles

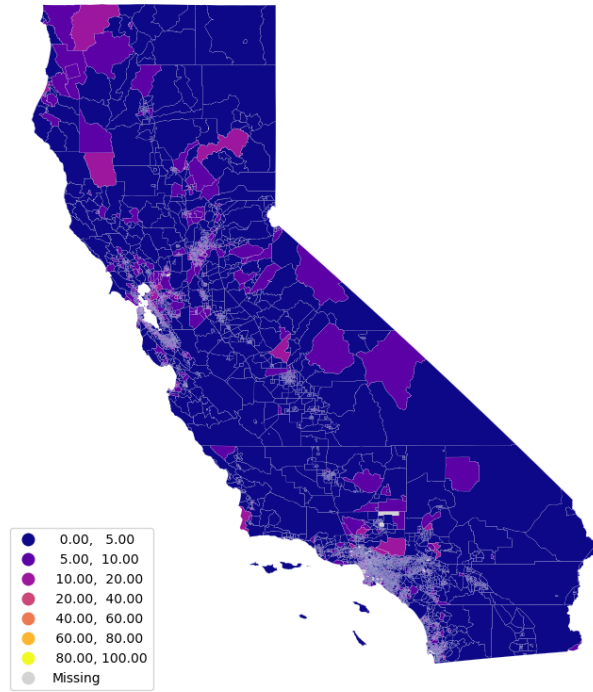

Overlap hotspots: top 10% CIscoreP AND top 20% NativeAm share

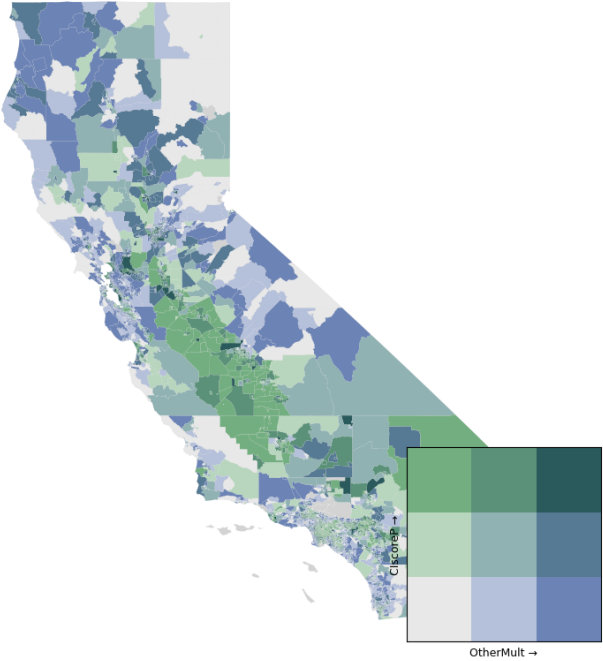

- - - OtherMult - - -

OtherMult share (fixed bins)

Bivariate: OtherMult share (→) vs ClscoreP (↑), 3×3 quantiles

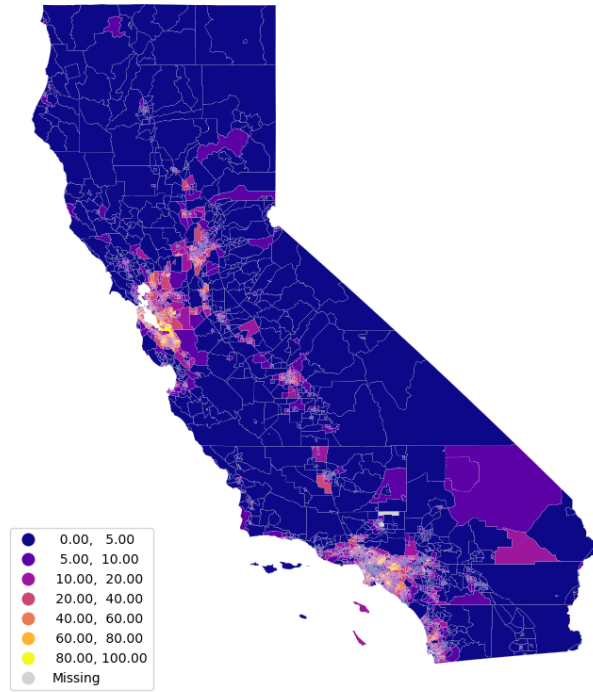

Overlap hotspots: top 10% CIscoreP AND top 20% OtherMult share

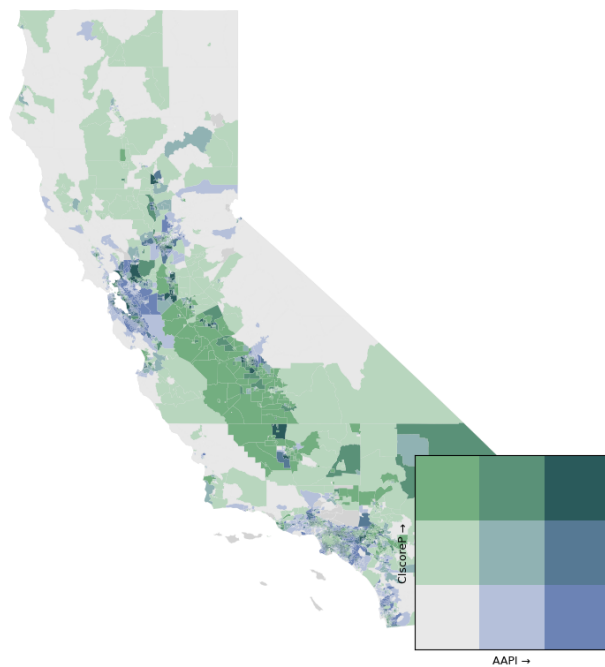

- - - AAPI - - -

AAPL share (fixed bins)

Bivariate: AAPI share (→) vs ClscoreP (↑), 3×3 quantiles

Overlap hotspots: top 10% CiscorP AND top 20% AAPI share
